## INDEPENDENCE DAY PARADE

**JULY 3, 5 PM**

**Time to don your red, white & blue!**

It's a patriotic get-together that's pure Gordonston! Bring a dish to share. Kids of all ages are encouraged to decorate their ride for July 4th parade and celebration with neighbors, friends and family.

No fees – bring your friends!

If you can assist with set-up and/or clean-up, please contact:

Christi Bell-Ralph at [theralphfoundation@gmail.com](mailto:theralphfoundation@gmail.com) or 912-313-0193.

From Garden Club President, Alice Henrick:

The Gordonston Garden Club has accomplished and started several important projects. In April the front marker was replanted with perennials – golden mops cypress, blue pacific juniper, yellow Bulbine and white Angelonia. It was designed and planted by

The club also began the long planned process of marking the memorial tress in the park. The first five markers were installed on both new and old plantings along the front walk. Jack Taylor has headed the committee to see that these special plantings are marked in a way that will let residents and neighbors recognize and appreciate these gifts to the park and the special people who have called this place home.

Finally, our movie series ended with a perfect evening for laughs and friendship. Many thanks to committee chairs Steve and Meaghan Gerard for providing us with four spectacularly fun vintage cinema evenings. We hope this new tradition will continue.

May marked the final meeting of our calendar year and the announcement that a new slate of officers is now being sought. Nominations by club members for President, Vice President, Secretary, and Treasurer are now being accepted. If you would like to nominate someone for the one of those offices please send your nominations to csbaeh411@gmail.com by June 5.

The next garden club meeting is scheduled for Tuesday September 20. Come out and join us at 6:30 as we learn all about how to design, grow, and maintain an espalier. Savannah Victory Gardens' own Kerry Shay will share his knowledge of the classic technique. As always, Happy Gardening!

## Notes from the GNA president

The Cottage or "Girl Scout Hut" was built in 1941 by the Union Paper Bag Company within Juliette Gordon Low Park. It was meant to be a meeting place for Girls Scouts and other community organizations. It is currently maintained, along with the park, by the residents of Gordonston.

Lately the cottage has not gotten the respect it deserves. When renting the park cottage please remember that it is your responsibility to abide by the rules set forth regarding rentals. As a reminder they are noted below and cleaning instructions/checklists have been posted at the cottage for your convenience. They are also posted on the website, [www.gordonston.com](http://www.gordonston.com). Thank you for helping us preserve our lovely and historic park cottage.

I am a resident of the Gordonston neighborhood. I have read the Cottage Rules established by the Gordonston Neighborhood Association Board for use of the Cottage and I understand and agree to abide by them. I also understand that:

- The rental fee is \$50.00 for GNA Members, \$90.00 for Gordonston residents who are not GNA Members and the refundable Security/Cleaning deposit is \$100.00.
- I am responsible for any costs incurred to repair damage my use of the facility may cause.
- I am expected to complete clean-up immediately following my event.
- I must return the key the same day as my event unless I have rented the Cottage for an additional day for clean-up.
- If I do not clean up in a timely manner, I forfeit my deposit and may be required to pay a double deposit in the future.

### IN MEMORIAM

Long-time Gordonston resident Tommy George Williams, Sr., died on March 2. He was born March 7, 1940 in Greenville, S.C. He lived with his wife Angela and son Tommy on Illinois Avenue.
